

1. Click the Start button
2. Find the iTunes program icon and click it to start iTunes.
3. Once iTunes opens, Look for the gray bar at the left.
4. In the gray bar, click on **iTunes Store**.

5. The iTunes store will load, and display many boxes of content.
6. Look on the left for the iTunes Store box.
7. In the iTunes Store box, click **Podcasts**.
8. The Podcast section of the iTunes store will load.

9. A simple way to find a podcast on a relevant topic is to use the **Categories Box**. Click a category such as **Education**.

10. The category will load.

11. Featured Podcasts in that category will be displayed in the middle of the page. To see all podcasts in your category, click the **See All** button at the top of the Featured box.
